In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results as well as year to date results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

Basis for Qualified Opinion

We draw attention to Note 10 regarding erosion of share capital and reserves and surplus, and the accumulated losses have exceeded the Net Worth of the Company. As more fully explained in the above note, a material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. However, the standalone financial statements have been prepared by the management on a going concern basis for the reason stated in the aforesaid note.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Matter of Emphasis

- a) We draw attention to Note 9 which describes the effects of fire on the Company's manufacturing facility and its consequential impact on the standalone financial statements and financial position of the Company. Our opinion is not modified in respect of this matter.
- b) We draw attention to Note 11 which describes that the secured borrowing facilities used by the company against security of stocks/inventory and property, plant and equipment of the Company, has been considered secured for the reasons as stated in the above note. Our opinion is not modified in respect of this matter.
- c) We draw attention to Note 12 where MAT Credit Entitlements have been considered good, to be utilised by the Company based on the future business projections, for the reason stated therein. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

These standalone financial results have been prepared on the basis of the standalone financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the loss and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets

of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

Chartered Accountants

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results,
 whether due to fraud or error, design and perform audit procedures responsive to those risks,
 and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 The risk of not detecting a material misstatement resulting from fraud is higher than for one
 resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are
 also responsible for expressing our opinion through a separate report on the complete set of
 financial statements on whether the Company has adequate internal financial controls with
 reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the appropriateness of this
 assumption. If we conclude that a material uncertainty exists, we are required to draw attention
 in our auditor's report to the related disclosures in the standalone financial results or, if such
 disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit
 evidence obtained up to the date of our auditor's report. However, future events or conditions
 may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

Chartered Accountants

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The standalone financial results include the results for the half year ended March 31, 2024 being the balancing figure between the audited figures in respect of full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the half year ended on September 30, 2023 which were subject to limited review by us, as required under the Listing Regulations.

We draw attention to Note 10 regarding erosion of share capital and reserves and surplus, and the accumulated losses have exceeded the Net Worth of the Company. As more fully explained in the above note, a material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. However, the consolidated financial statements have been prepared by the management on a going concern basis for the reason stated in the aforesaid note.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a
